

Box 9 - Transmission Gallery - 26 King Street - Glasgow G1 1AA

We need to know more about the players in the war, and our estimates of the people on our mailing list. But we're not sure if we have them. We need to know if you'll want to be on the list, and if our biggest single cost (space) is already met. We want you to set me up and ask if you don't feel like it. Thanks.

Dear Free University.

I am most interested in
all your talks & projects but have
virtually no free time. However anything I can
